COVER MODEL

Interviewed by Elie for SINFUL Magazine

Karmen Karma

"I've always been known as the school slut/ dorm-hall slut/ town slut."

SINFUL: Thank you for the interview, what kind of girl were you like growing up?
Karmen: I was raised in a really small town, so life was very plain. I grew up playing outdoors and going to church a lot.

SINFUL: You got some sexy tattoos; tell us some info and the meaning behind some of them?
Karmen: I love my right arm, which is completely covered. It all sort of came together as one, but it was years of adding to it. My knuckle tattoos are very meaningful to me... "OVERCOME" because I've overcome many addictions and hard times in my life.

SINFUL: How did you end up finding your way into the porn industry?
Karmen: I've always known that I wanted to be a part of the adult industry, since I first found out it existed. I started with webcamming, then stripping, and then gradually into porn!

SINFUL: Prior to the porn industry, were you a sexual person?
Karmen: I've always been known as the school slut/dorm-hall slut/town slut, etc.!

SINFUL: How many lucky guys out there can say they had sex with Karmen Kama prior you to entering the porn industry?
Karmen: Around 40.

> *Once we started the blowjob stills however, my nerves went away*

SINFUL: At what age did you realize you were into girls?
Karmen: The first time I hooked up with a girl was in the 2nd grade. I've always been extremely attracted to women, and I've always masturbated to women since I learned how to masturbate. Women are beautiful.

SINFUL: If you didn't end up in the adult industry, what do you think you would be doing now?
Karmen: I'd like to say doing cosmetology, but in all likelihood, I'd still be stripping.

SINFUL: That first fuck scene, describe the nerves, the feeling?
Karmen: I was literally shaking so bad, but I was pretending that I wasn't nervous. Once we started the blowjob stills however, my nerves went away and I felt more relaxed.

SINFUL: Does it still feel weird having sex in front of others and cameras?
Karmen: It's honestly second nature to me at this point. It almost feels weirder NOT having sex in front of a camera!

SINFUL: Do you ever watch your movies, if so what goes through your mind?
Karmen: I love watching my scenes! I watch out of curiosity and to see what looks good, and what doesn't look good (angles, faces, and poses).

SINFUL COVER MODEL

Karmen Karma

SINFUL: What's that one movie you've done that you would recommend our readers to watch?
Karmen: I'd definitely recommend "Karma's A Bitch" by Arch Angel, because it's my one and only showcase movie all about me. Five scenes of me doing all my "firsts"—first anal, first interracial, and first DP.

SINFUL: What gets you horny, what gets you wet?
Karmen: Some dirty talk, dominant men/women, confidence, and watching porn.

SINFUL: What does it feel like having men and women all over the world fantasize over you?
Karmen: It's flattering and mind blowing hot to think of everyone in the world who has came to me!

SINFUL: Best thing about being Karmen Karma?
Karmen: I don't have to hide who I am, or filter how I feel. I can be as dirty and open as I please.

SINFUL: Worst thing about being a Karmen Karma?
Karmen: The only negative thing is that I live across the country from my family since I have to be located in Los Angeles.

SINFUL: Do you prefer to be dominant or a submissive person?
Karmen: I prefer being submissive because I am so naturally bossy outside of sex.

SINFUL: For all the men out there, does size matter?
Karmen: Of course, but I do prefer girth to length.

> *"first anal, first interracial, and first DP."*

SINFUL: What are your top 3 craziest sexual experiences you've had outside the film world?

Karmen:

1. DP'ed in my personal life as a teenager.
2. Got double teamed by a pair of cousins.
3. A six-some in my dorm room in college!

SINFUL: What sexual position drives you crazy?

Karmen: Doggy-style, because it feels so good, and it gets so deep that I almost can't handle it sometimes!

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?

Karmen: A gangbang!

SINFUL: Is there a particular pornstar you'd love to do a scene with?

Karmen: Sasha Grey, if she wasn't retired. She's my ultimate favorite porn star because she is genuinely sexual and nasty.

SINFUL: What about celebrity, which would you like to do a porn scene with?

Karmen: Kylie Jenner on her 18th birthday.

SINFUL: When you're with a guy and he's about to blow his load, where do you like it to land?

Karmen: My face!

SINFUL: What turns you off?

Karmen: My turn-offs are rudeness and bad hygiene.

SINFUL: What do you have a weakness for?

Karmen: My weaknesses are muscles and tattoos.

SINFUL: I've read quite a lot that you like anal, for girls that freak out when they hear that word, what are they missing out on?

Karmen: Girls just aren't preparing right! I'm convinced that every girl would LOVE anal if they stretched their asshole with a butt plug prior, and used A LOT of coconut oil to have a smooth nice lubricated fuck session! If you relax and are into it, it's an incredible feeling.

SINFUL COVER MODEL

Karmen Karma

SINFUL: Let's talk double penetration, it's definitely a turn on to watch, but from your view, describe the feeling and why you enjoy it?

Karmen: It's the most amazing feeling a woman can feel, in my personal opinion. Getting both holes filled and feeling both anal and vaginal pleasure at the same time is unbelievably wonderful!

SINFUL: What is the weirdest thing that ever happened to you on set?

Karmen: I got a big crystal ball stuck in my ass! I put it in and my ass just sucked it right up!

SINFUL: Have you ever said no to a movie?

Karmen: Nope, I've never turned down any scene or movie! It's hard to find something that I'm not willing to try.

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Karmen: A fan asked me to mail him my poop after my Thanksgiving meal! (laughs).

SINFUL: One thing fans don't know about you?

Karmen: I can leg press 470 pounds!

"both anal and vaginal pleasure at the same time is unbelievably wonderful!"

SINFUL: What in store for you in future?

Karmen: For my future I see myself exploring every avenue, whether gang bangs or double anal... nothing will be untried!

SINFUL: What's the best way for fans to contact you?

Karmen: On my website there is a contact form! OfficialKarmenKarma.com

50 Shades for the Under Paid: Do-It-Yourself Bondage Tips

Popular adult e-tail site GameLink.com has experienced a spark in interest regarding BDSM gear as a direct result of the book and movie versions of “50 Shades of Grey.” While the fictional story highlights a chic, high-end fetish lifestyle, BDSM is something even those without the budget of Christian Grey may enjoy with the help of GameLink.com.

"Just because you can't afford all that polished steel, hammered leather, and dishwasher-safe glass doesn't mean you can't have a Do-It-Yourself bondage experience," says Jeff Dillon, vice president of business development for eLine.com, parent company to GameLink.com.

For example, while Gamelink.com does offer a wide array of stylish, safe, and consensual BDSM gear for most budgets, there is a certain charm to drilling a hole through a tennis ball, poking some rope through it, and creating a perfectly functional homemade ball gag.
Even stolen office products from a former job can come in handy: binder clips as nipple clamps, bubble wrap fetish-wear (poke a hole for the mouth and other entry/exit points), and cut-up strips of chair mats for light punishment and flogging.

"Everyone has the right to a fulfilling and consensual sexual experience, and money should not be an object," states Dillon. "When I was broke in college, I simply taped two chunks of Ramen noodles over my girlfriend's eyes for a blindfold. We loved it."

THREE SEX POSITIONS

PART 2

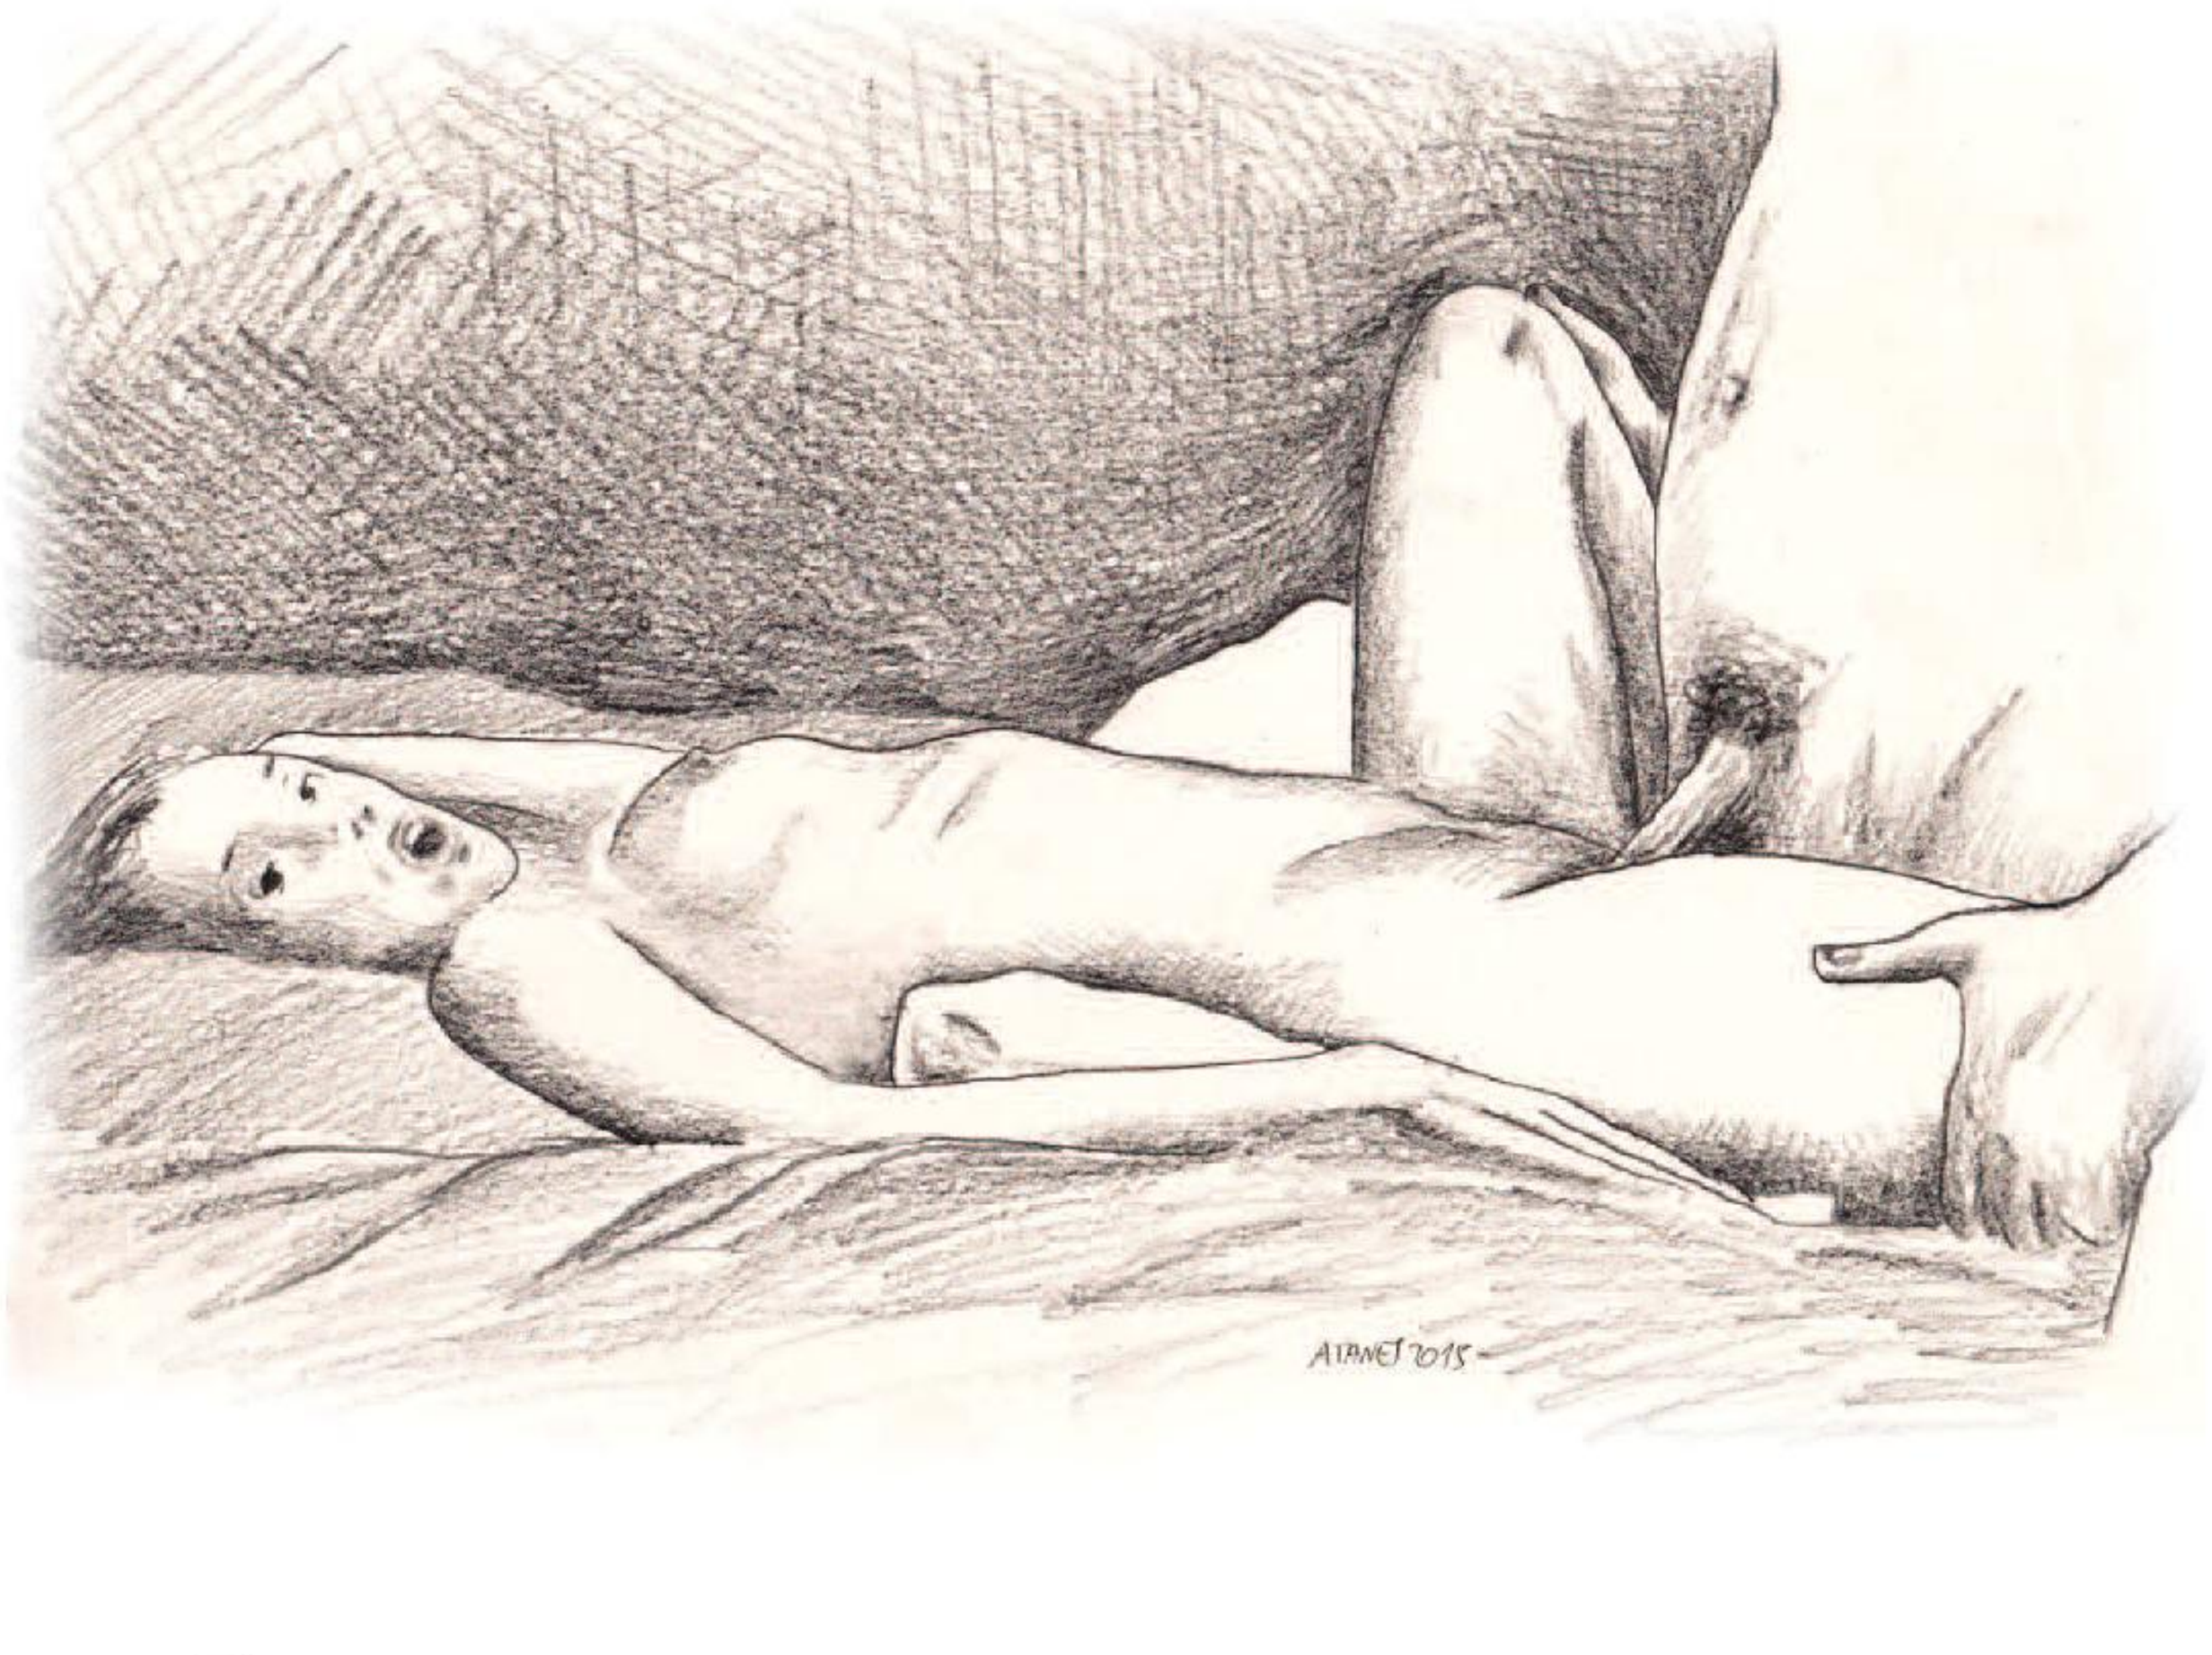

The receiving partner will assume a lying position on the bed, table or any object of your choosing, with her butt just hanging off the side/edge of the object. You then take one of her legs and place it over your shoulder. Take the other leg and hold it with your hand, just above your waist. Use the lower leg to get a good grip on the position. Finally, insert your penis and proceed to pound away.

Butterfly Technique

The Pillow Technique

Place a pillow under her buttocks to give a pelvic lift to ensure greater penetration and comfort.

THREE SEX POSITIONS PART 2

Doggystyle Technique

The female which is the receiving partner is on all fours with her torso near-horizontal and the legs slightly ajar, while the male who is the active partner is either standing or on his knees. He can hold his partner firmly by the waist or buttocks while penetrating the vagina from behind with his penis.

SINFUL FEATURE MODEL

Jenna J Ross

"I was a nerdy girl that no one talked to."

SINFUL: Thank you for the interview; let's start with why you decided to join the porn industry?

Jenna: I got into the porn industry after a year of nude modelling and it just progressed into porn from there.

SINFUL: What were you like growing up?

Jenna: I was the nerdy girl that no one talked to. I could be found with my nose in a book, or dreaming up some adventure in my head.

SINFUL: Do you really enjoy sex that much or is most of it acting?

Jenna: I LOVE sex and enjoy all different sorts of sex acts with both boys and girls. Not every scene is a walk in the park of course, but I like to make my scenes real and genuine.

SINFUL: Best thing about being a porn star?

Jenna: For me the best thing about doing porn is the freedom it gives me. It allows me to explore my sexuality. I also have the time to pursue other hobbies and activities that I enjoy.

SINFUL: Worst thing about being a porn star?

Jenna: For me there's no real bad side. I mean if it were a negative thing for me I wouldn't do it anymore.

SINFUL: Do you ever watch your movies, if so what goes through your head?

Jenna: I do watch my movies. I do it so I can improve my on-camera sex skills and in order to provide a better experience for my fans and the porn viewers.

SINFUL: What gets you hot, what gets you horny?
Jenna: I am always horny, like 24/7. One of my weird turn-ons is having my ear nibbled on. I don't know what it is about it, but it makes me melt.

SINFUL: What does it feel like to have men and women all over the world fantasize and masturbate over you?
Jenna: Well, I don't really think about myself as a fantasy. Although, I do like to bring people pleasure, so happy masturbating everyone!

SINFUL: What were you doing before you entered the porn industry?
Jenna: I was a waitress and doing some nude modelling as well. I loved being naked, so porn and I just seemed to be destined.

SINFUL: Popular question, does size matter?
Jenna: No, it's all about how you use what you're working with. You could have a huge dick and have no idea how to fuck and it would hurt every girl you put it in, or a small dick but great at finding the spot. It really is how you use what you're working with.

SINFUL: Do you prefer to be dominant or submissive?
Jenna: I am a true switch. I tend to be more dominant towards females and submissive with males, but if someone isn't taking charge in a sexual situation I will totally step up and be the Dom.

SINFUL: What's your favorite sexual thing that you love a guy to do?
Jenna: I like being pinned down. Pin me down and have your way and I'm a happy camper.

SINFUL: Is there a particular star you'd love to do a scene with?
Jenna: No one pops into my mind. I just like sex with people who also enjoy sex.

SINFUL: What's the best sexual experience you have ever had outside of the film world?
Jenna: As an exhibitionist, I enjoy being watched. Porn is my ultimate sexual experience.

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?
Jenna: There are still things that I haven't tried yet. I guess you'll just have to stay tuned and see what I do next.

"Pin me down and have your way with me and I'm happy camper."

SINFUL FEATURE MODEL

Jenna J Ross

SINFUL: Who is one celebrity that you’d love to do a fuck scene in an adult film with?
Jenna: I have never been into the celebrity crush thing. It’s just not my style.

SINFUL: What’s your favorite sexual position?
Jenna: I can't just pick one. I like any position that provides sexual pleasure and fulfilment for me and anyone else who might be participating.

SINFUL: When you’re with a guy and he’s about to cum, where do you like it to land?
Jenna: It can land anywhere but my hair or in my eyes.

SINFUL: How does a guy convince his girl to swallow?
Jenna: If you have to convince someone of something, then you probably shouldn't be doing it with him or her. They either want to do it, or they don't. Pressure isn't going to make them feel any more comfortable with you.

SINFUL: What are your turn offs?
Jenna: People who are rude, stupid, and who have improper hygiene practices.

SINFUL: What do you have a weakness for?
Jenna: Kittens! They’re just so cute and fuzzy.

SINFUL: What 3 things can't you live without?
Jenna: Three things I cannot live without would be my kitten, my friends, and Pink Rockstar.

SINFUL: What is the weirdest thing that ever happened to you on set?
Jenna: It's top secret and if I talked about it, the FBI might show up at my door.

SINFUL: Take us behind the scenes, what's it like, what happens, how does the scene start?
Jenna: It all starts off with hair and makeup, which is usually about an hour or two. It's usually about five hours on set for a scene. If the movie is a feature film and has a script, sometimes we run through the dialogue, but usually it's straight to the action.

SINFUL: Have you ever said no to a movie and why?
Jenna: Yes, I have said no to movies. Usually the reason is that the male talent is on my "no" list.
I also would say no to POV scenes.

SINFUL: Craziest thing a fan has asked for?
Jenna: Honestly, I'd rather tell you the craziest thing a fan has ever done to me. A few years ago during the AVN convention, a fan came up and licked my elbow! Where is security when you need them?

SINFUL: For people trying to get into the industry, what advice would you give them?
Jenna: If there is anyone that you're concerned you may lose by joining porn and you just can't live with the idea of them never speaking to you again, DON'T DO IT. This is a forever job; it's not something you get to walk away from. Once it's out there, it's out there! If you can't own it and stand firmly behind your decision to be a part of this world, then don't do it. Other then that, just be yourself and have fun. People like having sex with happy, fulfilled people.

SINFUL: One thing fans don't know about you?
Jenna: I figured skated from the age of four to twelve.

SINFUL: What's in store for you in future?
Jenna: Lots of awesome erotica is in my future from x-art.com and colette.com. Stay tuned and watch all the new and exciting scenes we're coming out with.

SINFUL: What's the best way for fans to contact you?

Sexual Compatibility

Couples often time pro port great love for each other, but they find that their sexual desires for one another are not always in sync. They often find such conversation quite awkward. Sex is like eating, some people like to chew slowly, while others a little faster. The same is true for driving a car. One person may go one hundred and eighty kilometers per hour while the other barely hit the accelerator. With such difference there may be bumps in the road.

Therefore, couples are to ensure that they are on the same pace or to exhibit great levels of understanding and compromise to remain compatible. The following are ways in which you can test the true levels of your sexual compatibility.

1. Is there a great desire to be loved, cuddled and pampered after engaging in sexual activities?
2. Are you able to find novel ways of expressing ones love such as kissing, dating, sharing gifts and special entertainments?
3. Are you able to have spontaneous sex or it has to be time tabled?
4. Do you enjoy retiring to bed together?
5. Do you enjoy engaging in sexual activities with your partner without complaining about the number of requests?
6. Are you adventurous in your sexual journeys?
7. Is there great ease in discussing the “topic sex” with each other?

If the answers to these questions are yes, then you are on your way to achieving greatness in your love life and a true test of being sexually compatible. If, however, it is no, then the likelihood of gloom, frustration, anguish and stress are companions in your sex life. If left unchecked the end result is separation. Sex is an art and if individuals are to truly experience the greatness, they have to be well-matched.

EROTIC STORY

Jamie sits at the bar swirling her toothpick in her martini. The club is packed tonight, and despite the skin-tight little black dress she was wearing, none of the guys who had asked her to dance were the least bit attractive. She takes another sip of her drink, leaving a smudge of red lipstick on the rim. She was about to down the rest of the drink and take off when a man stepped up to the bar next to her and ordered a beer. He leans against the bar, pulls some cash out of his wallet and pays as soon as the bartender comes back. Jamie can't help but notice how attractive he is, in his well-fitting jeans and black t-shit which is just tight enough to show off his muscular arms.

"Is this seat taken?" he asks her, flashing a pearly white smile.

Smiling back, she shakes her head, suddenly a bit shy in the presence of such a good looking guy.

She takes another, bigger sip of her drink for courage and says, "I'm Jamie."

"Nice to meet you, Jamie, I'm Eric," he replies before taking a swig of beer. "I know this is going to sound like a horrible pick up line, but I've been here for a couple of hours and you are by far the most beautiful woman in this place."

Jamie smiles slightly, deciding to accept the compliment, even if it is just a line.

"Would you like to dance with me?" he asks her.
Big improvement over the other guys and their "Hey baby, why don't you come out to the dance floor with me and let me show you what I can do."

She downs the rest of her drink and tells him, "Absolutely," as she pops the olive from the toothpick into her mouth.

As they get on the dance floor a sexy R&B song starts playing. Jamie feels the martini, and the three she'd had before that hitting her hard. She grinds against him, sultry, with feline-like movements. She can feel him getting hard as she gyrates her hips on his crotch. Running her hands through his dark, soft hair, she leans in and whispers "Let's take this somewhere a little more private," and winks at him.

She grabs his hand and pulls him into the men's bathroom since there's a long line of ladies outside the women's room.

Erotic fictional story

Their tongues are intertwining before the door even swings shut, as she unzips his pants and gropes his throbbing cock through his boxers.

As they get into a stall and lock the door, Jamie immediately bends over, her hands on one wall for support. Eric hikes up her dress eagerly and pulls her lacy red thong to the side. Jamie is already soaking wet and Eric slides his cock into her warm, juicy pussy.

"Oh god, baby, you feel so good. That tight little pussy is amazing."

Jamie moans, "Yes, Eric, fuck me harder!"

He happily follows her instruction, breathing heavily as he fucks her with reckless abandon.

Jamie's rubbing her clit furiously and screaming in pleasure.

Eric's cock head swells, pleasuring Jamie even more and before he knows it she's squirting all over, soaking his cock, her panties, and the floor.

He pulls out and pushes her onto her knees and she takes his dick deep into her throat.

Grabbing a fistful of her blonde hair, he starts face fucking her as she gags and her eyes water, but she takes it like a champ.

As he watches her take his entire 8 inches down her throat he moans loudly. She reaches up and massages his balls.

With that, he spills his hot load straight down her throat in several spurts, moaning with each spasm of pleasure running through his body.

He finally releases her hair and pulls out of her mouth.

That was fucking amazing, Jamie," he tells her.

She smiles and says, "Why don't we make a whole night of it?"

Grabbing his hand again, she drags him to her car, excited to do it all night.

WISHFUL THINKING

Why did I get divorced? Well, last week was my birthday. My wife didn't wish me a happy birthday. My parents forgot and so did my kids. I went to work and even my colleagues didn't wish me a happy birthday.

As I entered my office, my secretary said, "Happy birthday, boss!" I felt so special. She asked me out for lunch. After lunch, she invited me to her apartment.

We went there and she said, "Do you mind if I go into the bedroom for a minute?"

"Okay," I said.

She came out 5 minutes later with a birthday cake, my wife, my parents, my kids, my friends, & my colleagues all yelling, "SURPRISE!!!" while I was waiting on the sofa... naked.

HIS PENIS PASSWORD

A husband and wife are trying to set up a new password for their computer. The husband puts, "Mypenis," and the wife falls on the ground laughing because on the screen it says, "Error. Not long enough."

EAT THAT PUSSY

The teacher asked Jimmy, "Why is your cat at school today Jimmy?" Jimmy replied crying, "Because I heard my daddy tell my mommy, 'I am going to eat that p*ssy once Jimmy leaves for school today!'"

JOKES

A bride tells her husband, "Honey, you know I'm a virgin and I don't know anything about sex. Can you explain it to me first?"

"Okay, sweetheart. Putting it simply, we will call your private place 'the prison' and call my private thing 'the prisoner'. So what we do is put the prisoner in the prison."

And they made love for the first time and the husband was smiling with satisfaction. Nudging him, his bride giggles, "Honey the prisoner seems to have escaped."

Turning on his side, he smiles and says, "Then we will have to re-imprison him."

THE PRISONER ESCAPES

After the second time, the bride says, "Honey, the prisoner is out again!" The husband rises to the occasion and they made love again.

The bride again says, "Honey, the prisoner escaped again," to which the husband yelled, "Hey, it's not a life sentence!!!"

PREMATURE EJACULATION PROBLEMS

A man was having premature ejaculation problems so he went to the doctor. The doctor said, "When you feel like you are getting ready to ejaculate, try startling yourself."

That same day the man went to the store and bought himself a starter pistol and ran home to his wife.

That night the two were having sex and found themselves in the 69 position. The man felt the urge to ejaculate and fired the starter pistol.

The next day he went back to the doctor who asked how it went. The man answered, "Not well. When I fired the pistol, my wife pooped on my face, bit three inches off my penis, and my neighbor came out of the closet with his hands in the air."
